Homeschool Applicant Curriculum Worksheet

Please use this worksheet as a guide for creating homeschool records. We require records for each year a student participated in Home Study. If you have your own version of records with comparable information, please feel free to upload that to your application for admission instead.

Student Name: .....

Student Grade: ..... School Year .....

SUBJECT	CURRICULUM USED (IF NO CURRICULUM, ATTACH EXAMPLES OF COMPLETED WORK)	LETTER GRADE ASSIGNED

The Georgia Department of Education requires that students in home study programs must be evaluated by an appropriate nationally standardized testing program at least every three years beginning at the end of the third grade.

Standardized Test Scores

☐ Yes, my student's scores from the above listed school year are attached to this form

☐ No, my student did not complete standardized testing for the above listed school year

Please attach additional copies of this worksheet for each year your student was in Home Study
